NEW COLLECTIVE RAQQUET SPORT - A SPORT TO BE DISCOVERED !

RAQBALL is a new collective **RAQQUET** sport endowed with an **INTERNATIONAL FEDERATION (I.R.B.F.)**. It was created by French artist Chris Oven. A novel sport breaking new ground, **RAQBALL** combines the values of team spirit and competitiveness. Comprehensive, new, and fun, **RAQBALL** makes use of a range of motor skills.

Like in other team sports played with a ball, players each with a racket in hand «**DRIP'UP**», pass, cooperate and «**TARG**» at the «**TARGET**». The aim is to win the match. A team achieves victory by scoring the highest number of points from shots on «**TARGET**».

A sport requiring not only dexterity, strategy, and precision, but also intensity, it suits both families and committed competitors.

Thanks to its portable and easy to install equipment, **RAQBALL** can be played anywhere. Participation, Respect, Innovation and Mobility (P.R.I.M.) are the values that inspire the practice of **RAQBALL**.

RULES OF RAQBALL

Two teams of six players each (three in play and three replacements, each player with a **RAQQUET), play against each other to win the match. Their aim: to hit the opponent's **TARGET** with the **BALL**.**

The players achieve this by passing the ball between team-mates and by moving individually, with the aim of scoring with a **TARG**.

The **TARGETS** are round boards 110 cm in diameter, positioned at height, and with a hollow centre 40 cm in diameter. The court is 20 m long and 10 m wide.

A **TARG** that hits
the **TARGET**
scores 1 point

A **TARG** shot from the
opponent's zone that goes
through the hole of the
TARGET scores 2 points

A **TARG** shot from their own
zone that goes through the
hole of the **TARGET**
scores 3 points

The official duration of a match is 20 minutes, played in 4 periods of 5 minutes each. In an informal setting, the time of play may be set freely.

See the official rules of RAQBALL on the website of the I.R.B.F. : www.raqball.org

GLOSSARY OF RAQBALL

RAQQUET

RAQBALL racket

TARGET

RAQBALL target board

RAQBALL PORTABLE COURT EQUIPMENT RB2.0

(2 storage cases with wheels)

The equipment required to play **RAQBALL** has been developed by the start-up **RZBALL COMPANY** and has been approved by the **INTERNATIONAL RAQBALL FEDERATION (I.R.B.F.)** for competitions, as well as for other formal or informal settings.

This *ready-to-play* **RAQBALL** court equipment package comes in two portable cases comprising target boards, rackets, balls, bibs, and court marking strips.

THE RAQBALL PORTABLE COURT EQUIPMENT RB2.0 OFFERS THE FOLLOWING BENEFITS

- Easy to transport and install;
- No need to dedicate an area permanently to this game;
- With a surface area requirement of 20 m by 10 m, it can share space dedicated to other purposes;
- Significantly lower cost compared with a fixed installation;
- Can be located either indoors or outdoors, and on any type of surface;
- Full equipment for two teams and ready to play after installation.

PORTABLE COURT EQUIPMENT RB2.0

This *ready-to-play* **RAQBALL** court equipment package comes in two portable cases comprising target boards, rackets, balls, bibs, and court marking strips.
